Dear parents and carers

To all new and existing parents and carers, welcome to Yule Brook College. Your support is greatly appreciated and we look forward to having your family as part of our school community. We run an engaging and innovative programme on a very tight budget and absorb many costs other schools charge extra for. This is only possible with your support so please get your contributions in early in 2026 or arrange a payment plan with our manager, corporate services.

Included in this document is:

- A list of contributions and charges for 2026 subjects
- Information for parents that includes a list of charges involved for optional activities. These proposed charges are the maximum amount that may be associated with events, including excursions and camps, etc. Should these charges arise throughout the year details of due dates will accompany the event details.
- Details of personal items available.

Personal contributions and charges documentation for Yule Brook College is attached. On examination I'm sure you will agree that the college has made a serious attempt to minimise costs to parents.

You will also note requests for chaplaincy funding. The chaplain provides valuable counselling support for our students to supplement the support of the college psychologist. Not having this service available would adversely affect our ability to provide this valuable support service.

Details are provided about the cost of the school uniform items that are available for purchase from the school. Please note that school uniform is compulsory for all students. Denim, tights, short skirts and brief shorts are not permitted. These requirements are government and college policy. The current school uniform was developed in consultation with the Yule Brook College board.

It is with this in mind that I ask for your support in paying the levied contributions and charges. Your contribution helps our college work in partnership with families and the community to deliver an excellent education to your child.

Yours sincerely

Stephen Jones

APPROVED PERSONAL ITEMS AND OTHER SERVICES

Photocopying and communication	This goes towards covering some of the costs of sending information out to parents, enabling the college to keep our parents as fully informed as possible about all matters.	\$15.00
ICT	The college computer network has grown and students have access to technology in most subject areas. A need has then arisen to enable students to print their work from a number of locations. As a result student printing costs are now levied centrally to allow for a fairer allocation of costs with no overall increase in college charges.	\$15.00
Library	To support purchasing various library equipment, books and computer software for the benefit of all students.	\$15.00

VOLUNTARY APPROVED REQUESTS

Chaplaincy	Chaplaincy is non-denominational and each and every student in some way comes under the care of the chaplain, as do many parents and members of the community. The federal government has given the college funding for two days per week, however, we feel it is important to maintain our chaplaincy so the Churches' Commission and the college supplement the salary for an extra day.	\$10.00
School bus	The school has recently purchased a new school bus. This is to reduce the cost of travel to excursions.	\$10.00

School photos - prices will vary depending on package selected through the external supplier

OTHER COSTS

As required by the Department of Education we are obliged to inform parents and carers of any planned excursions, incursions, camps and competitions that MAY take place during the year. If your child is in any of the following categories they MAY be participating in the relevant activity. The cost of each activity will not exceed the amount given therefore they MAY be less.

From time to time outstanding educational opportunities occur that we are presently unaware of. Students may be offered the opportunity to be involved in these events as they arise.

PLEASE NOTE: These possible extra cost options are approximate, cover the full year and have been approved by the school board.

Uniform tops and jackets are available for purchase from the school. Trousers, shorts and skirts must match the school colours and comply with the school uniform code and can be purchased from anywhere. To ensure that we have the correct sizes in stock for your child, we encourage you to pre-order uniforms as soon as possible. Payment is not required until collection.

Parents/carers in receipt of the SAS clothing allowance who choose to have the **allowance paid to the college** can obtain uniforms on credit up to the value of the allowance of \$300 (amount confirmed for 2025 only). Any credit balance from the uniform allowance can be made available for uniform purchases until the end of Term 1. After this time the credit will be applied to any outstanding contributions and charges.

SECONDARY ASSISTANCE SCHEME (SAS)

The secondary assistance scheme (SAS) is available to students enrolled in Years 7 to 12, studying a full-time secondary course. The allowance is paid up to and including the year in which they turn 18 years of age, if they have a parent who is a holder of one of the prescribed cards listed below:

- Department of Human Services (Centrelink) pensioner concession card (student name should be listed on the card), or
- Department of Human Services (Centrelink) health care card (family card only – not for a specific child for medical purposes), or
- Department of Veterans' Affairs pensioner concession card only.

Cards that are not eligible include TPI, TPI gold cards, health pensioner cards and state concession cards as they are not income assessed. Eligibility for the secondary assistance scheme is based on a parent being the holder of a prescribed card, not the student. If a parent does not have a card the application will not be successful. The card must be current some time during first term ie Monday 2 February 2026 – Thursday 2 April 2026 and valid for a period of not less than four weeks.

OFFICIAL

The secondary assistance scheme includes the clothing allowance and educational programme allowance. The clothing allowance and the secondary assistance scheme can be combined to pay contributions and charges and to purchase articles of uniform.

Claim forms will be printed at the beginning of 2026 and available to be completed by parents and carers in the front office. Please ensure you bring your eligible card and bank account details.

**To access the secondary assistance scheme and clothing allowance
you must produce your current card at the college office and complete the claim form.
This MUST be completed BEFORE the end of Term 1 2026.
Bank account details are required to have the clothing allowance paid directly to you.**
